Appropriations for the Western I akes, The United States Treasury overflows with money, and the public d bt is reduced to . amedia figur the tate ould be politoff in a single year with the means on hand, it the holders of or t-tanding United States securities would consent to sell them The President and Congreare I technic their brains to reduce the revenue, n order to thick the steadily n creasing tenden ey to plethore some twenty five milhons of dollars are now locked up in the various Government Depositories and this amount is not lik a to dignoish. The estimates of appropriations for the public service, for the year 1857, here been published, and though on a liberal scale, will still leave a large surplus in the public chest the their then, my objects of National expenditure on itted in those estim tes, to which watton of the overflown garactimes of the countis might properly I make it. We think that

there are in these estimates ter- of unilsons are called houses, fortifications, breakwaters, &c., on the At alred thousands are asked, and these grudgingly to a like privilege? given, it given at all, for the protection of Wes t ra Commerce And yet, no man familiar with the history, the growth, the importance and the incremities of that Commerc will dervite just clain to liberal appropriation from the frence la

the only moss obstruction to the mangament.

White population, the lakes How serious it is, one of two facts, here colored " gathered from Col GRAHAM'S admirable report of 1 55, was sufficiently show. The total amount of capital live-ted in commerce and navigation, present population is thus given which presed over the St. Claur Flats in 1855. was \$2.09,721,100 The amount which accound on freights of nearchandise and produce, during ; the same season, was \$13,701 \$10, in American the same season with same \$1,001 \$10,000 \$10 the same season, was \$13,701 810, in America i one Territory, immediately is torested in the feet kinds, navigation of the Lakes. These figures as for Melasse 185 Those for 1956 would be still larger Here then is a commerce of nearly three has

Ared well one, and an annual charge upon that commerce, by re son of the obstructions at the _ The recent distinbances and runor the sur-S. Clair Flats, of from two with conditions—proceedings in Kentucky Tennes.

The States of New York, Pennsylvania, Oliu, see and offer Southern Sou two of the Middle States, and several of the Western States, undirectly interested in having

ard one Treatory above manied, by reason of these obstructions is not the anuple statement of these facts all the argument necessars to prove the justice and policy of making the property the families and policy of making the property thankfully received by Mrs Dooley, mained, involving the expenditure of only half a million of dollars, by which is interest worth the chandred of them and tax of nearly two millions of the chandred of them, will be advanced and property and powed and property and the m seved to the farming and producing the c * 1 the City Garden, in this city. does seem to us that if the Representatives from the States into ested are ze door and urgent so bringing before Congress the just claims of our Lake tommerce, they cannot ful to seem, at the present session, a very liberal appropriation the present account of the St. Clair Flats.—

The the improvement of the St. Clair Flats.—

Must assuredly no effort should be spared, on their part to see are this result, and so time lost homor to the fixts, and worth its cost is indeed to the fixts. on making the attempt

One antice that he become the body in the merming at 100 clock, I will set the following Real betate, on terms that will give a chance to all present to put chase projects upon which they must said will make out inimized per cont, between this and spring.

The sake will commerce with one buseded let in he I i unclify—that great city which has been faced out, and which I is and must be the real of Government of curstate I have song so of said vity which I will give te all we what them. The terms of the sale of the lets in Ki bours (ity are by each, the bala c. in 1, 2 and 8 years with anyon per continuous.)

are 3, cash, the bala of the sale is sixty lots in the City of per cont interest. The second part of the sale is sixty lots in the City of Shichoygan which is no I she Michigan, and ad standard sixty miles from an city. I am to they several who have whated Sheboygan, that six will be the next to Milwan whated Sheboygan, that six will be the next to Milwan kee and I have no dowsh, from the sixuation she holds, but what the might be the second to Milwanke. It is property I migoing to sell is central and I will be sold on very day terms unded. The third part of the sale is some thirty or forty lets in the new and beautiful they of Busver Dam where a large and a very heavy and extensive business is now do no cowing to II. Grand Depot which the La. Grosse R tilroad in slocated there. The lots which I am going to as are, mar its depot, and are very desirable and only valual let The term any on who these lots are sold as every tany. The feurth part of the such is that frand and inviting, firm, which I must be honged to correll the one Douglass which has been can up moved an are lots about 13% in leading the first of the sale and so that is a very at a rable real decays. This is a very at a rable and be suffit local lond for residences, a wall thirty minutes a define may affect and you have from any one of the ten ances, and lying a rable real decays. The property will be sold one fifth cash, balance in a two mad three years. The property will be sold one fifth cash, balance in a two me twenty valuable part of the sale, balance in a two mad three years. The fifth part of the sale is one twenty valuable part of the sale is not controlly valuable part of the sale was not come that the property will be sold one fifth cash, balance in a two mad three years.

Sper ocut inferent
The fifth part of the suit is one twenty valuable lot.
In its 3d, 5th and 7th Wards in our city. In recense, no more than what I have said that it makes very filled difference where you purchas during the historian are very sar, and very certain to troke you must be in a very the I than Well, this is all I have to say at

Sheboygan, Sept. 27, 1856.

FATTHE FOT SAIC.

FITTHE Well known farm recently owned by Joseph J.

Mand, about X of a mile from the village of Oconomoroe, and on the time of the Milynoises and Water-lown Rail Read. This farm is well located, lying adjoining beautiful lake, has a thrifty young Greiner and plenty of timber, and is under good improvement. Contains about 116 unerse—will be sold at a bargain and on very favorable terms.

Apply to the ondersigned at the Office of the Milwankee and Watertown Rail Road Company, over Marshall & Hely's Bank, East Water Street.

O. P. Miloung, Mills Bank, East Water Street.
